

SIMATIC DP, DP master interface for IM151-7 CPU or IM151-8 PN/DP (ET200S), module with PROFIBUS DP interface (9-pole D-sub socket) as DP master

| Hardware configuration    |                                                                                     |
|---------------------------|-------------------------------------------------------------------------------------|
| Number of modules per CPU | 1                                                                                   |
| Interfaces                |                                                                                     |
| PROFIBUS DP               |                                                                                     |
| • Transmission rate, max. | 12 Mbit/s; 9,6 / 19,2 / 45,45 / 93,75 / 187,5 / 500 kbit/s; 1,5 / 3 / 6 / 12 Mbit/s |
| • Cable length, max.      | 100 m; Shielded                                                                     |
| Protocols                 |                                                                                     |
| PROFIBUS DP               | Yes                                                                                 |
| Dimensions                |                                                                                     |
| Width                     | 35 mm                                                                               |
| Height                    | 119.5 mm                                                                            |
| Depth                     | 75 mm                                                                               |
| Weights                   |                                                                                     |
| Weight, approx.           | 100 g                                                                               |
| last modified:            | 10/13/2019                                                                          |
