

V-Meter digital

Part no.

Z-MG/VD-600

Article no.

248222

Powering Business Worldwide™

Delivery programme

Product range			General switchboard accessories
Accessories			Meters
Basic function			for DIN rails, analog and digital
Accessories			Meters for DIN-rail, digital
Description			7-segment display, green LEDs LED overload indication
Function			For measuring single-phase AC voltages
Measuring range		V	0 - 600

Electrical

Rated frequency	f	Hz	50
Measuring range		V	0 - 600
Rated insulation voltage	U _i	V	660

Mechanical

Weight		kg	0.3
Protection type			IP50 (enclosed)
Flammability classification according to UL94			V1
